

## Safety Data Sheet

According to 453/2010 EU, Appendix II

Date of revision: 4/2015

### 1. Identification of the substances/ trade name and company

- 1.1. Identification of the preparation  
Trade name: **Potassium chloride – Dry Salt (KCl)**  
Material-No.: according to REACH registration not mandatory
- 1.2. Use of the preparation  
Raw material for industry, fertiliser
- 1.3. Company name  
Deusa International GmbH  
Nordhäuser Str.2  
D-99752 Bleicherode  
Tel.:+49 36338 / 67 – 0  
Fax:+49 36338 / 67 – 103  
[info@deusa.de](mailto:info@deusa.de)  
Information contact: General management
- 1.4. Emergency telephone  
Next toxin information centre

### 2.2. Hazard Identification

- 2.1. Categorisation of the product  
No.: 230; WGK 1 - low hazardous to waters
- 2.2. characterisation  
According to 67-548 EU no hazardous material

### 3. Composition/ Information on Ingredients

- 3.1. Mixtures  
chemical characterisation  
KCl  
Identification No.:  
CAS-No.: 7447-40-7  
EINECS-No.: 231-211-8

# Safety Data Sheet

According to 453/2010 EU, Appendix II

Date of revision: 4/2015

Date of impression: 17.04.2015

## 4. First Aid Measures

### 4.1. Description of first aid measures

General remarks:

No special measures necessary

Skin contact:

Rinse with water.

Eye contact:

Rinse thoroughly with running water and consult a doctor if required

Ingestion:

Rinse mouth intensively and drink richly water

Inhalation:

Fresh air supply and consult a doctor if required

### 4.2. Important acute and decelerated symptoms

### 4.3. Instructions for emergency aid or special treatment

## 5. Fire - fighting measures

### 5.1. Suitable Extenguishing media

Appropriate measures for put fire out

### 5.2. Special exposure hazards:

In the direct neighborhood of fire hazard of toxine gases in form of hydrogen chloride

### 5.3. Special protective equipment:

Inhalation protection

### 5.4. Additional information

Attention must be paid to the solubility in water therefore prevent fire extinguishing water from getting into sewage or sewage system

## 6. Measures in case of accidental release

### 6.1. personal preventive measures, protective equipment, emergeny prodedures

### 6.2. Environmental protection measures

Hazard of drinking water and environment

Avoid penetration of large quantities into sewage or sewage system.

Notify administration.

### 6.3. Methods and material Methoden for flood detention and cleaning

### 6.4. Link to other aprons

Behold apron 2 und 5

# Safety Data Sheet

According to 453/2010 EU, Appendix II

Date of revision: 4/2015

Date of impression: 17.04.2015

## 7. Handling and storage

### 7.1. Safety measures for safe handling

Information for safe handling

Avoid intake of breath

Explosion and fire protection

Product is not flammable

### 7.2. Condition for safe storage on consideration of incompatibility

Storage condition

LGK 10 – 13

Please observe regulatory terms

### 7.3. Special end use

## 8. Exposure controls / personal protection

### 8.1. Monitoring parameters

Exposure limit values not applicable

DNEL / DMEL – Values not applicable

PNEC – Values not applicable

### 8.2. Limitation and monitoring of exposition

General protective measures

Hygienic measures

Avoid intake of breath

Avoid contact with eyes

Avoid long contact with skin

Wash hands before take a break or after end of work

Respiration protection

Usually not necessary

Eye protection

Goggles

Skin protection

Protective gloves

Monitored limits relating to the workplace

Not applicable

# Safety Data Sheet

According to 453/2010 EU, Appendix II

Date of revision: 4/2015

Date of impression: 17.04.2015

## 9. Physical and chemical properties

### 9.1. Information to the basic physical and chemical properties

Aggregate state:	solid
Form:	dry salt
Colour:	clear, brownish
Odour:	indorous
pH-Value (50g/l H <sub>2</sub> O; 20°C):	7-7,5
Melting point:	773°C
Boiling Point:	1500°C
Flashing Point:	-
Vapour Pressure:	10 Pa (700°C)
Water solubility (20°C):	347 g/l
n-Oktanol/Water-distribution coefficient (log Pow):	not applicable
auto-ignition temperature :	not applicable
thermal decomposition::	hazard of hydrogen chloride formation at high temperature
Viscosity:	not applicable

### 9.2. Other details

Density (20°C):	1,98 g/cm <sup>3</sup>
Bulk density (20°C):	≈ 1.100 kg/m <sup>3</sup> to 1.300 kg/m <sup>3</sup>
Molar mass (20°C):	74,5 g/mol
Thermal conductivity:	-
Specific electric details:	-

## 10. Stability and Reactivity

### 10.1. Reactivity

### 10.2. Chemical stability

Stable

### 10.3. Possibility of hazardous reactions

No hazardous reactions known

### 10.4. Conditions to avoid

No decomposition in regular use

### 10.5. Incompatible materials

No hazardous reactions known

### 10.6. Decomposition Products

Hydrogen chloride in case of fire

# Safety Data Sheet

According to 453/2010 EU, Appendix II

Date of revision: 4/2015

Date of impression: 17.04.2015

## 11. Toxicological information

- 11.1. Acute oral toxicity:  
after ingestion of larger quantities sickness, arrhythmia, cardiovascular collapse
- Skin contact:  
Slightly irritant
- Eye contact:  
Temporary reversible irritant
- Allergisation:  
No allergisating effect known
- Additional information:  
There is no danger for human being if used according to instructions

## 12. Ecological information

- 12.1. Toxicity
- 12.2. Persistence and decomposability
- 12.3. Bioaccumulation potential  
Not applicable
- 12.4. Mobility in soil  
Not applicable
- 12.5. Results of PBT- and vPvB-analysis  
Not applicable
- 12.6. Additional information  
low hazardous to waters / water pollution class 1

## 13. Disposal considerations

- 13.1. Methods of disposal treatment
- Product  
Dispose of according to local regulations
- Uncleaned package  
Behold apron 12

# Safety Data Sheet

According to 453/2010 EU, Appendix II

Date of revision: 4/2015

Date of impression: 17.04.2015

## 14. Transport information

Apron 14.1. bis 14.5

ADR no dangerous goods  
ADNR no dangerous goods  
RID no dangerous goods  
IATA no dangerous goods  
IMDG no dangerous goods

No dangerous cargo according to transport regulation.

14.6. Special preventive measures for the customer

14.7. Bulk cargo according to appendix II MARPOL - agreement 73/78 and according IBC-Code

## 15. Regulatory information

15.1. Prescription to safety, health or environmental prescription for the compound or mixture

Water pollution class:

No. : 230

WGK 1 - low hazardous to waters

Designation:

No labelling is required in accordance with EES directives.

## 16. Other information

The data given herein are based on current knowledge and experience. The purpose of this Safety Data Sheet is to describe the product in terms of its safety requirements. The data do not signify any warranty with regard to the properties of the product. Existing laws and regulations must be observed by the recipient of our product and will be in its own responsibility.
